### **WICI STUDENT CHAPTER AWARD**

DAYTON, Ohio, September 22, 1986 -- The University of Dayton student chapter of Women in Communications, Inc. (WICI), has received the 1985-86 Outstanding Chapter Award for the Great Lakes Region from the National Professional Chapter of WICI. The award selection was based on the chapter's outstanding speaker series, service projects, fund raisers, and membership drive.

President Julie Schimpf and Vice President Terri Hebling will be presented with the award at the WICI National Professional Conference, September 26-28, in New York City. Tracy Steffen, who aided the organization in its support of the Students Against MS campaign, will also attend the conference. The trip will be sponsored by UD, the Dayton Professional Chapter of WICI, and Dayton Newspapers, Inc.

WICI is a national organization dedicated to helping women in communications. The organization provides professional speakers from the communication field, regional and national conferences, seminars, and a job hotline. There are professional and student chapters in most major cities and universities across the country.

Call Judy Schimpf at 229-2020 for more information.
